

## Statement of Respect

Let's Adopt! Global has built a community and an organization which strives for higher ideals -- one of which is mutual respect. The animal rights, rescue, and advocacy world can be a very tragic one. It is full of pain and suffering, but also of beautiful humanity. With so much hurt in the world Let's Adopt must strive to be a beacon of good and not of destruction.

To that end – respect for the rights, dignity, and integrity of others is essential for the well-being of a community, of the organization, and of the good that we are all trying to achieve.

Let's Adopt! Global recognizes the dignity and worth of all living beings, including people.

Actions by any person which do not reflect such tenets are damaging to each member of the community and hence damaging to Let's Adopt! Global and will not be tolerated.

Each member of the community should be free from interference, intimidation or disparagement of any kind towards any member of our community.

We will not tolerate any unwelcoming words, actions, or behaviors against any community member, co-worker, or volunteer. Only through our positive actions and deeds will we achieve solidarity with our community and those that believe in our mission.

While Let's Adopt will ferociously defend and fight for animals, we will not do so by demeaning or attacking innocent people. Such actions only serve to harm our own good intentions and mission.
